The Tales of Srinidhi

I was running hapless and also helpless to the worth of marathon completely hopeless...,

Never had it happened in my life, so that I would make it never happen...,

A traitor...,

I am a treacherous one..., betraying not only her but also me...,

I was lame running a furlong distance as a forlorn swain.....,

The marathon ended reaching destined destination...,

There were people all around a girl lying in the pool of blood...,

I was lame not because of bruise to the body but because of bruise to the heart...,

A Mishap...,

Nothing could change me...,

Nothing could move me..., and

Nothing could bring Love in me...,

She tried thousand and one ways to bring Love in me..., but...,

None of the thousand could succeed changing me...,

Making her think of one more reason to change me...,

But.,

My heart wrecked into thousand and one fragment...,

Finding the girl, who loved me on the road in the pool of blood...,

A pathetic situation...,

First I lost my strength ...,

Then I lost my hope...,

And finally I lost control and found myself lying on the road motionless with that catastrophe...,

I was on stretcher being taken to the hospital along with Srinidhi...,

The girl, for whom I am the crush...,

The Heart That Needs You

I don't know why this happened...,
And I don't know whether it is a sign for felicitous or infelicitous feeling...,
And neither do I know whether I will see her again or not...,
Everything started with the bits and pieces of paper lying on the floor...,
Srinidhi picked every piece of paper and said...,
“Keep the place clean”...,
I was sulky at that moment because of some disappointment...,
Being inane..., I said...,
“Those pieces are for you. Join them together and find the piece of message hidden for you...”
And then I left from them are...,
The following day...,
She came running to me..., and hugged me...,
She gave me the paper brought together from pieces saying...,
“A feeling that started the day I saw you and which I want to tell you. Then it was not the correct time but now it is the correct time. And that is the reason for me to confess this...,
Straight to you...,
Right in front of you...,
I LOVE YOU...”
Saying she ran away from me...,
A big mistake..., really big...,
The pieces lying on the floor that day contains the message...,
“I Love You”...,
Which I wrote for another girl “Deepu” whom I loved...,
I gave Deepu the letter and she gave back these pieces...,

The Tales of Srinidhi

Nobody can ever imagine how things shape in our life...,
How fortunes bring different people and in return how it retreats
different people...,
From that day when my life lay stand still, in dilemma...,
I tried hard to tell Srinidhi that I am not for her and Deepu how
much I need her...,
But nothing seemed happening and nobody seemed listening...,
I don't believe in relation that binds two hearts with cord...,
I do believe in relation that binds two hearts before a cord...,
I tried killing myself..., but I failed in it also...,
Srinidhi came to know everything happened...,
She came running to the hospital and said...,
"Everybody loves but only some get back the Love...,
Deepu is lucky that she has your love...,
And I am unlucky that I don't...,
Love started the day I saw you.
A girl feels always possessive and that is the reason I could not
express and this is the reason that I am not happy today...,
Don't try to kill yourself instead try to kill the agony...,
She may not love you but there will be a girl, who always loves you
more than how much you loved...,
Where ever you are and where ever I am, still I Love You and will
always...,"
Saying she left from there crying and crying...,
I was discharged after three days and then discharged completely
from life seeing Deepu in hands of her boyfriend...,
I became a drunker and started ruining my life.,
And there she came back into my life...,

The Heart That Needs You

As light in dark., and Water in desert...,
Bringing all the lost glory back into my life...,
She tried many ways to change me and finally succeeded changing me...,
She tried many ways to bring love in me on her...,
But failed every time...,
Her love has no bounds that she even tattooed my name on her hand...,
Nobody knows when love knocks and love locks...,
Finally today my heart moved seeing her lying in the pool of blood...,
This is my parable..., with no moral...,
Present...,
I was given anesthesia and left to take rest...,
I was awake after 12 hours...,
I saw people crying and howling in the adjacent room...,
They were none other than Srinidhi parents...,
I understood something is wrong...,
First I lost my hope...,
Then I lost my balance...,
And finally I decided to lose my last breathe...,
I asked the doctor about her condition. He replied...,
“She needs cardiac surgery. Her heart needs to be transplanted”
Yes her heart need to be replaced as it is full of me.
I am the reason for the mishap. I don't know whether god will forgive me or not but she will never forget me...,
After three days I was discharged...,
I went to see her and found everything good. She is sleeping happily.

The Tales of Srinidhi

She went through surgery and it was a success.

At that juncture...,

A nurse approached me and gave me a letter and said...,

“The girl who gave you her heart gave this letter to give you. She came to meet you but at that time you were given anesthesia”.

I opened the letter...,

“Dear...,

I know how much you loved me and how much you waited for me. But I never responded to you. I always moved away from you. I don't know why this happened in my life but it happened. I am a cancer patient and I am in advanced stage. I am going to die in a couple of days. I tried many times to tell you but I never did. I know you cannot take it but you need to accept it. The worst thing in life is to know that the days are numbered.

It is true that Srinidhi loves you more than how much you loved me. I will die now or sooner, so one thing I got to do. To give my heart to Srinidhi and love you inside her. So as I did. You are never happy from the day you loved me, so be happy now I am with you in the form of Srinidhi. Enjoy with her heart as it is your heart.

I may be mortal but my feelings for you will always be immortal. So no crying and no ruining. Be happy and I will be happy ever I will be. I know you waited so long to hear this..., so here goes it..., I love you..., really love you.,

Yours Deepu...,

Nope..., Deepu Mani...,

Tears started rolling...,

Mouth fell off words...,

I started crying and eventually gave up because if I cry it depicts that Deepu is dead...,

She will be happy only if I will be happy...,

The Heart That Needs You

I moved inside the room, sat beside Sri and said....,

“I promise that my hand will never leave you. I promise that you are my love and will always.

I know you waited so long to hear this....., so here goes it..., I love you..., really love you.....,

I held her hand....,

She opened her eyes and said....,

“Love you Mani”

And then she slept happily over my heart, Hand in hand and eyes locked....,
