

A person in a black wetsuit is surfing on a large, curling blue wave. The person is in silhouette, with their arms outstretched. The water is a vibrant blue with white foam at the base of the wave. The entire scene is framed by a thin black border.

### *Maybe in next lifetime...*

---

To get back the smiles  
travelled across the miles

Alienated from the world  
but the memories whirled

Desisted all dialogues  
yet exist the monologues

Left all belongings  
yet carried the longings

It seeped in veins and fibres  
went futile all endeavors

The heart in turmoil  
could not recoil

It takes moments to love  
but years to unlove

One day will clean-up this grime  
maybe in next lifetime....
